Sadhak charcoal soap

Sadhak Activated charcoal soap effectively cleanses the skin, unclogs pores, removes deeper impurities, and dead skin cells. The result is smooth, supple, and even-toned skin. Dirt, toxins, heavy metals, chemicals, and other poisons are attracted to the charcoal molecules and washed away. Olive oil is full of vitamin E and A, which makes it a super moisturiser that helps reduce dryness and dehydrated skin. Not just that, it also helps maintain the skins oil balance and makes it look healthier. Being heavy in consistency and full of antioxidants, olive oil helps protect our skin against sun damage.
